To Open:

1 Pull up the Tamper-Resistant™ safety band.

2 Continue to tear until band comes free.

3 Pull up textured grip corner of lid.

Our new Tamper-Resistant™ 4" squares are the latest innovation in retail must-haves, food safety and sustainability. Pactiv PWP's patent pending one-pull tear strip prevents tampering and eliminates the need for costly shrink bands or wrap-around labels. A leak-resistant seal locks in product freshness. And the containers are all made with a minimum of 25% post-consumer recycled PETE.
